- 2) Variable income (business ~~and~~ online sell of my craft and art)
- 3) Extra income (freelance project)

## Expenditure

- saving (40-50%)
- Traveling (10-20%)
- Insurance (Health + Lic) 10%
- investment ~~(20-30%)~~ (20%)
- Essential (~~rent~~ room rent, electric bill, Phone bill, etc) 30%

## stress (going through a lot)

Some how I manage through various activity, and make myself working. As, I am looking for full time opportunity it's a lot of stress and that is negative stress. having a hope for ~~me~~ to the same also.

I manage stress

- ① Meditation
- ② Dance
- ③ good Music
- ④ Take care of plants
- ⑤ walk.

## Some what Daily Schedule:

7:00 - 7:30 AM wake up

- 9:00 AM Morning duty.

after 10:00 AM - 11:00 AM apply for Job in various platform.

11:00 AM - 12:00 PM Cook food

12:00 - 6-7 PM I work in assignment, project, learn. etc.

after 7pm I do my ~~no~~ some daily duty.

then I ~~again~~ again start for some apply for jobs  
Scroll through linkedin do connect to other people.

till 12 AM I some days more I go for bed.
